

Interest Policy

In accordance with the Solicitors Regulation Authority Accounts Rules, we will pay interest when it is fair and reasonable to do so and when the interest due is over £30.00.

Please also note the following:

- A sum in lieu of interest will be calculated on client money held by us for each client matter at the conclusion of the transaction.
- The interest rate we apply will be in line with Barclays Bank PLC's published rates on its Business Instant Access Accounts.
- The sum in lieu of interest will be paid without deduction of income tax. It is your responsibility to declare the payment to HMRC for income tax purposes.
